

SIZE GUIDE

Eureka! Cup

CLASSIC®

ATTENTION!

In order to choose your size properly, it is very important to know about your pelvic floor health.

Do you have any of these symptoms?

- Leaking urine when laughing, coughing, sneezing, or carrying something heavy
- Feeling an urge to urinate several times a day or at night
- Difficulty while reaching an orgasm
- Pain during sex with penetration

YES

S	Ideal size to fit a vagina with a slightly weakened pelvic floor.
M/L	Recommended for women with a wide vagina, a slightly weakened pelvic floor, or who have undergone a vaginal delivery.
XL	Ideal for women with a wide vagina and a very weakened pelvic floor.

NO

S	Standard measure. Its flexibility allows a better adaptation to the vagina.
M/L	For women with a wide vagina or who have undergone a vaginal delivery.
XL	For women with a wide vagina, who have gone through a vaginal delivery and are not accommodating with an M / L
